To the USDA's AGRICULTURAL MARKETING SERVICE:

To whom it may concern; I am just a consumer but the Ugly Ripe Tomato is the BEST TASTING TOMATO by FAR that is SOLD in the grocery stores here in West CENTRAL FLORIDA.

WHEN I CAN'T FIND THIS TOMATO IN MY LOCAL GROCERY STORES I'm FORCED to go to a LOCAL PRODUCE STAND to GET a DECENT TASTING TOMATO.

THESE UGLYRIPE TOMATOS ARE the best TASTING TOMATO that you CAN GET in the GROCERY STORES. I DON't CARE HOW THEY LOOK, JUST HOW THEY TASTE

Please CHANGE your RULE AND EXEMPT THESE TOMATOES FROM SHAPE STANDARDS.

SINCERLY
